— Site built accessory structures require the following checked inspections.

- Footing
- Foundation
- Framing
- Electrical (if applicable)
- Plumbing (if applicable)

— Prefabricated or delivered buildings must be inspected when placed.

— Inspections for any of the items listed above may be obtained by calling the Prattville Building Department at 595-0400.

The Building Department staff has reviewed the rules for the placement or construction of an accessory structure and the list of required inspections with me, and I understand these rules and the required inspections.
