**Independence Day
Fireworks Celebration**

The City of Prattville is excited to announce that the 4th of July fireworks spectacular is a go! One of the largest fireworks displays in the area will light up the skies over Prattville on Independence Day!

Although we will not be able to hold all the traditional 4th of July events that we have come to enjoy in Prattville, we are pleased that we will still be able to bring the beautiful night lights to our community. This year, we will launch the fireworks from the Homeplace Clock Tower off Highway 82.

This one-time alternative location will allow for viewing from miles around while maintaining proper social distancing. Parking will be available in the nearby parking lots, and people from throughout the River Region will be able to enjoy this annual Independence Day celebration.

Comp Plan

The City of Prattville is now updating the citywide comprehensive plan to guide growth and opportunity in the community. Throughout the process the planning team will engage residents, property and business owners and other stakeholders through public forums, surveys, and discussions about what most critical to Prattville's future. Your input can shape Prattville for many generations to come. Visit [ProjectPrattville2040](https://prattvilleal.gov/projectprattville2040) to stay up to date on events and progress.
