**Time: 06:30 pm—08:30 pm**

# Storm Spotting Class

Autauga Emergency Management is hosting a Storm Spotting class on Thursday; October 14, 2008 beginning at 6:30pm at the First United Methodist Church; Epworth Hall in Prattville. This class will be taught by the National Weather Service office in Birmingham.

Severe Weather effects us all in some form or fashion. By becoming a part of the SKYWARN Spotter Network, your information, coupled with Doppler radar, satellite, and other data, enables the National Weather Service to issue timely and accurate warnings for tornadoes, severe thunderstorms, and flash floods.

## Highlights

- Learn about Hazardous Weather
- Learn Safety Tips
- How to report severe weather conditions

**No cost to attend so sign up today! Call 334-361-3758 to reserve your place.**
