

Prattville's Way Off Broadway Theatre Show Proposal Submission Guidelines

Show Proposal Submissions:

Prattville's Way Off Broadway Theatre is pleased to accept show proposals throughout the year, but we pay special attention to those submitted in early Fall. Selecting the right shows for each season is vital to the life of any theatre and we rely upon the talents and expertise of local volunteers to direct, design, build, and perform in our productions. The proposal process is ongoing and a proposal may be submitted at any time. The deadline to be considered for the 2011 season is October 15, 2010.

Proposal Submission Process:

Complete the WOBT Show Proposal Form and return with a cover letter to the WOBT Season Planning Committee. Submitting a proposal is simple and valuable especially for anyone considering becoming involved as a director. These forms include basic information regarding the show and the cover letter may cover any information that you feel is important for our consideration. Some of the issues that the form addresses:

- the director's background and theatrical experience
- the show's suitability for WOBT (appeal, ability to be cast from local talent, suitability to our stage)
- fiscal feasibility (can it be produced within our budget)
- who will form the production team to assist the director?

If you have questions, please email us at wobt@prattvilleal.gov.

Completed proposals and cover letters should be mailed to:
